March 19, 2010

Dear parents,

We hope the current school year has been a successful one for your children! Attached please find the registration packet for the 2010-2011 academic year. We encourage you to register early to reserve a place for your children.

Pre-registration for the 2010-2011 school year will start on March 26th through April 30th during school hours at the gym foyer of Homestead High School. **Cost for the 2010-2011 school year continues to be \$350* per student**, which includes tuition and fees for textbooks and most classroom materials. We are not offering early registration discount this year, instead, registration received after April 30th will incur a \$20 penalty, i.e., **cost per student will be \$370* after April 30th**. For those families interested in special payment arrangement, please contact Linda Wong (lindawong4468@gmail.com or 408-839-7001) for more information.

Please review the packet carefully and turn in your children's registration soon. Be sure to complete all the information requested, especially the Emergency Contact Form, the Mandatory Parent Participation section of the Registration Form, and the General Service Activities Sign-Up Form. West Valley Chinese Language School is a member of the Association of Northern California Chinese Schools (ANCCS). We are covered by their liability insurance, as such, all students are also required to fill out the ANCCS Liability Waiver Form included in this packet. Packets with incomplete information will not be processed.

As a school-wide incentive, parents who refer new students to our school will be exempted from the mandatory parent participation service. We really appreciate your help in referring new students to our school.

Please discuss with a school board member if you have any questions. Thank you and best regards,

The 2009-2010 School Board

* The tuition and fees paid do not include the cost of a "Commercial Press" Chinese dictionary which all C4 and above students are required to have for school. Cost of the dictionary is \$15 and students will have to purchase separately from the school.
