WEST VALLEY CHINESE LANGUAGE SCHOOL

Mandatory Parent Participation Policy

West Valley Chinese Language School (WVCLS) is a nonprofit, all-volunteer organization. To help ensure an effective education for our children, WVCLS is entirely dependent on all parents to help with the administration of the school. Please read the following carefully to better understand how you, the parents, can best support WVCLS.

1. **Parents of all students**, if not serving as teacher or school board member or office administrator in a school year, are **REQUIRED** to perform both A and B duties.

A. help as traffic/security patrol and in the office.

- Duty starts at 6:30pm and ends at 9:15pm at school each week.
- There is a penalty of \$50 for late-show and \$150 for no-show.
- The School Board will assign these duties for the entire school year. If you know in advance that you cannot fulfill your assigned duty, you are responsible for arranging your substitution.

B. support the school's ongoing General Service Activities such as during Chinese New Year celebration, Promotion Ceremony, etc.

- Parents are **REQUIRED** to sign up, and identify their preferences, for **at least 2 [General Service Activities](#), per student**.
- The School Board will assign these activities for the entire school year.
- The start time and end time for General Service duties vary with different activities. Parents will be notified of the duty times when they receive their assignments.
- Parents who signed up for a preferred general service activity but refuse to accept and perform the activity, or do not show up for the duty as assigned, will be invoiced a penalty charge of \$150.

2. **General Considerations**

- It is the responsibility of the School Board to conduct a fair parent participation program. Parents with more than one child registered with the School can expect to be scheduled for the traffic/security patrol and office-helper duties and assigned for General Service Activities more than one time during the year.
- Parents should take note of their traffic/security patrol and office-helper duty assignments and workdays. **It is the parents' responsibility to trade workdays if needed.**
- Every consideration will be given to accommodate the activity preferences. However, the School Board cannot guarantee that all preferences can be met and final assignment of activities is up to the discretion of the School Board.
- If parents do not wish to serve in any of the traffic/security patrol and office helper and General Service activities after the start of the school, notification must be sent in writing by the end of the second lessons of school. Under such circumstances, the School will invoice the parent a fee of **\$150 per student** to be excused from the mandatory and general service participation. Payment is due immediately upon receipt of invoice. This fee is **non-refundable**.
- Parents must submit any exceptions or deviations from the said assignments and policies described above for approval by the School Board.
